Carey is Chile's largest law firm, with over 200 legal professionals.

We are a full service firm. Our various corporate, litigation and regulatory groups include highly-specialized attorneys and practice areas covering all areas of law.

Our clients include some of the world's largest multinationals, international organizations, and some of the most important local companies and institutions.

Our lawyers have graduated from the best law schools in Chile and most of our mid- and senior-level associates have graduate degrees from some of the world's most prominent universities.

We are an effective bridge between legal systems. Most of our partners and senior associates have worked in North America, Asia, and Europe, as foreign or regular associates with leading international law firms, or as in-house counsel for major corporations or international institutions.

During 2015, Carey has been recognized with the Client Service Award from Chambers and Partners, as Chilean Law Firm of the Year by Who's Who Legal, International Financial Law Review, and Managing Intellectual Property. Carey is also the Chilean law firm with more recognitions in the Best Lawyers ranking in 2016.
